

Harvest Hill

Nature's gift is a bountiful harvest.

Kansas Troubles Quilters

My grandchildren inspire me every day. They're smart, witty and adventurous of spirit, and they have strong values and a determination to succeed. The world they live in is so different than the one of my childhood, I don't remember being so engaged in current events or concerned about the future. These quilts are dedicated to the unique individuals emerging before my eyes. My classic Kansas Troubles fabric collection offers a warm and cozy palette to soften the hard edges of the world they're discovering. Be Brave and Be the Star are the first in a series of quilts to embrace the young adults they will soon become.
