

# GOOD Times

## American Jane

Good Times are those happy moments when we are doing something we love - going on a picnic or vacation, going sailing, having a party, making popcorn, playing games with family and friends, or getting lost in a good book or movie. It's also making a quilt. Whether we go easy on ourselves by starting with a panel, or embrace the challenge of new blocks in a Block of the Month, "good times" are about making every day count by filling it with happiness.
