

# Lake Views

by Holly Taylor

*There is no better place to be than over-looking the peace and tranquility of the lake.*

As the morning sun comes up over the horizon you can see the fish making ripples on the lake. If you are lucky, you might hear the call of the loon or spot their family gliding along the water. An afternoon canoeing around the lake is on the agenda, and a bonfire on the shore ends a perfect day. We love spending time with this Lakeview.
