

TIGER FLY

By Sarah Watts

Tigerfly is about the metamorphosis Sarah went through when she became a mother, and the tiger-like strength she found within herself. She created three(!) amazing panel prints for this group - a large butterfly art piece, gold filigreed butterflies that can be cut apart and pieced into quilts, and a beautiful border print (all are 24" x WOF).

More fabrics (including canvas and rayon) on the next spread!
