I love surrounding myself with calming colors and peaceful surroundings...

That was my inspiration for Abide...A break from all the noise of life...

Abide's prints and color palette draw us into taking a deep breath and embracing the times we have to relax... to be at peace... to abide in the calm moments in life. Vintage florals, classic dots, and a charming floral gingham in soft linen whites, cool light blues and greens, comfy pinks, and grounding pebble greys come together to create a calming fabric collection to help you create and surround yourself with calming moments—a place to simply breathe.
