Black, gray, and white is a very popular color theme in modern living spaces, especially when it comes to a minimalist style. Add a soft pink, and a trendy mustard, for warmth, and distinction. Zen Chic's CELESTIAL uses that palette to color a collection of graphic prints, including a surprise large-scale collage print.

CELESTIAL puts the collage print, and a low-volume text print, on Mochi Linen. It's the perfect substrate for bags, tableware, and anything that needs a firmer fabric.

Realize your creative dreams with CELESTIAL.
