moda FABRICS + SUPPLIES®

Every collection I've done has told a story. This one is a message of love for my grandmother, Marguerite. It's a Love Note.

She was a lover of flower gardens, painting and reading, especially books by Louisa May Alcott. For Marguerite, I've gathered sweet daisies, painterly roses, dainty hearts, a soft herringbone, and colored them in precious pinks, dusty blues and earthy greens. You will even find a few pages from Grandma's antique copy of \*Rose in Bloom\*.

May this Love Note finds it's way into your heart.
