

Summertime

by Camille Roskelley

GROWING UP IN IDAHO, it's safe to say that summertime was the happiest time of the year. I spent my summers running through the sprinklers with my little brothers, eating popsicles with my sisters, and picking raspberries with my grandma. Especially after a very long winter, we enjoyed every moment of sunshine and blue skies we could. It was heavenly.

When I was designing this collection, I wanted to revisit my favorite rainbow of summer colors and mix them with beautiful florals, basics, and lots of fun vintage prints. My hope for these fabrics was to capture even a little bit of the magic of those childhood summers. It's happy, cheery and full of fun. It's Summertime.
